I agree that in the case of illness or suspected illness, a veterinary surgeon will be consulted and may be called into carry out such treatment as he considers advisable.
I also give permission for worm/flea treatment to be given if necessary.
I agree to Cozy Cats and Dogs administering any prescribed treatments and any investigations that the vet considers necessary (e.g Blood tests, xrays)
I also give consent for euthanasia should this be recommended on humane grounds by the vet caring for my animal, in consultation with my own vet/my contact person.
I agree that all treatments will be at my own expense.
Cozy Cats and Dogs only take animals that are microchipped, as this is a legal requirement. Finally, while every care and precaution is taken by the management of Cozy Cats and Dogs, responsibility can only be accepted at the owners risk.
